Cranes Department

Who we are

Al-Darwish Establishment - Department of Cranes, years of experience in providing the best light and heavy cranes of all size. We have experience extending for more than 30 years, in which we made all our efforts to be a leader in the general contracting and construction market and all the works that need light, medium and heavy cranes. We partner with one of the most reliable brands in the world "KULI Hebezeuge" with the outstanding German quality. Al-Darwish cooperates with the international manufacturer of cranes "Helmut Kempkes GmbH", we guarantee the highest quality and efficiency.

We are well aware of the industrial boom in the Kingdom of Saudi Arabia and the Gulf Cooperation Council countries, so we provide the best and finest cranes. We work according to the highest international standards, relying on high administrative experiences, with a huge fleet of international quality cranes. Al-Darwish Trading Establishment - Department of Cranes has proved the efficiency of cranes and high experience in this field, and it was and still is rendering the historical and future map of a large number of governmental and private projects that we have participated and are still participating in, to be a link in the building and growth episodes in our beloved country, Saudi Arabia and the Arab Gulf.

Vision

We look forward to making Al-Darwish Establishment - Department of Cranes the first Establishment in the Kingdom of Saudi Arabia and the Arabian Gulf to meet the needs of customers from government and private companies and even individuals, and to be leaders in the field of cranes by providing a huge fleet of high-quality and efficient cranes that work with international standards by which we guarantee to provide the best services.

Mission

We all strive, whether management or employees at Al-Darwish Establishment - Department of Cranes, to contribute with our role in the largest amount of contracting projects, construction operations and various giant projects, to be a hand in contributing to building our beloved kingdom and achieving the terms of the Kingdom's Vision 2030 that was launched to complete the sustainable renaissance process with expanding our services to include Gulf Cooperation Council Countries.

Cranes Department
